Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

The Condominium Map (8 1/2 x 11) will NOT be provided to Buyer. Pursuant to Section 514B-86(a)(1) (A) of the Act, Seller advises Buyer that it is impractical, for legibility reasons, to provide buyers a letter-sized Condominium Map. Accordingly, Buyer shall have the opportunity to examine the Condominium Map at the Sales Office of Seller upon request.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit P contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. 5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. <i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i>
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Completion Deadline for any unit not yet constructed, as set forth in the sales contract: The Unit shall be completed no later than twenty-four (24) months following the date that the sales contract becomes a binding contract, which is the earlier of the date: (a) Buyer delivers to Seller Buyer's written waiver of Buyer's right to cancel the sales contract following Seller's delivery to Buyer of the Notice of Right to Cancel this sales contract, or (b) thirty (30) days have expired following Seller's delivery to Buyer of the Notice of Right to Cancel, provided Buyer has not exercised Buyer's right to cancel, subject to Seller's right to extend the Completion Deadline for force majeure events, which are defined in the sales contract.

Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract.

In connection with the use of purchaser deposits (check Box A or Box B):

Box A <input type="checkbox"/>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
Box B <input type="checkbox"/>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.
(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

See Exhibit U.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Section 1.3 -- Unit Types and Sizes of Units

Unit Type	Quantity	BR/Bath	Net Living Area (sf)	Other Areas (lanai & garage)

Note regarding Net Living Areas: Throughout the Kukuna at Mehan documentation, the area of individual units is generally expressed as "net living area" square footage. This measurement represents the architect's best estimate of the interior square footage of the unit as measured from the unit's perimeter walls, which are included in the unit. This measurement is based upon the plans for the construction of the unit and different architects performing the same measurement may obtain a larger or smaller result.

Units followed by a "/R" represent a reverse floor plan configuration from that reflected on the condominium map.

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE UNIT TYPES AND SIZES OF UNITS CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, HOUSE RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. EXHIBIT C

Section 1.4 – Designation of Garage and/or Assignment of Parking Stall to Unit (Kukuna at Mehana)

Each Unit has assigned two unnumbered parking stalls within the two car garage that is included within the Unit.

Guest Parking Stalls:

Guest Stalls: 1-18, as shown on the Condominium Map.

Declarant reserves to itself the right to amend the Declaration to establish spatial Units consisting of one or more of the foregoing parking stall, all without the joinder or consent or notice to any Owner, Owner's mortgagees, or Person. Declarant further reserves the right to amend the Declaration in any manner to assign additional parking stalls that are reserved to the Declarant to any Unit as appurtenant Limited Common Element(s) to such Unit. Further Developer may assign such stalls to any unit and reserves all right of use and access to such stalls together with the right to sell the stalls and/or transfer the stalls to another unit. Such amendment reassignment is hereby specifically declared not to constitute a material amendment of the Declaration or, when appropriate, the Condominium Map.

Disclaimer Regarding Parking Stall Designations

Parking stalls may be "standard" or "compact" in size and may not be marked on the Condominium Map to reflect their respective sizes. In that regard, if marked on the Condominium Map, parking stalls marked with a "C" are compact sized parking stalls. Any parking stalls designated as a standard sized parking stall may be constructed as a compact sized parking stall and such modification is approved by the Buyer and the Association. Any parking stalls designated as a compact sized parking stall may be constructed as a standard sized parking stall and such modification is approved by the Buyer or the Association. Any parking stalls designated as a covered or uncovered parking stall may be constructed contrary to its designation and such modification is approved by the Buyer or the Association. There may be parking stalls in the Community that are suited or adaptable for use by persons with disabilities. To the extent not assigned to individual Units, adaptable guest stalls (or any Developer Reserved Stall) may be retrofitted for exclusive use by disabled persons. Declarant reserves the right to transfer one or more guest parking stalls or any one or more of the Developer Reserved Stalls to a Unit, provided that if a guest parking stall or stalls are so transferred Declarant shall designate a substitute parking stall or stalls, as may be the case, therefor.

In all such cases, Declarant reserves the right to and may amend (i) the Declaration to reflect such parking stall transfers and (ii) the Condominium Map to reflect the as-built parking stall designations (compact, standard, covered, uncovered) without the joinder or consent or notice to any person.

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE PARKING STALL ASSIGNMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS EXHIBIT AND THE DECLARATION, BYLAWS, CONDOMINIUM MAP, HOUSE RULES OR OTHER DOCUMENTS OF THE COMMUNITY, SUCH DOCUMENTS WILL CONTROL.

EXHIBIT D

(Section 1.4 -- Reserved Right to Assign or Re-Assign Parking Stalls)

Developer shall have the reserved right, to effect such modifications to the Units and common elements in the Community and/or to execute, record and deliver any amendments to the Declaration, the Condominium Map as well as the Bylaws and rules and regulations promulgated thereunder, as may be necessary or required to effect compliance by the Community, the Association, or by Developer with laws which apply to the Community, including, without limitation, the Fair Housing Act, as amended, 42 U.S.C. §§ 3601 et seq., including any and all rules and regulations promulgated thereunder, and the Americans With Disabilities Act, as amended, 42 U.S.C. §§ 12101 et seq., including any and all rules and regulations promulgated thereunder. Without limitation, Developer may amend the Declaration (and, when appropriate, the Condominium Map) in any manner required to retrofit guest parking stalls, including adaptable or other parking stalls, so they are suited for use by persons with disabilities and to assign such stalls as appurtenant limited common elements to any one or more of the units intended for use by persons with disabilities upon substitution therefor of alternate guest parking stall(s). Such assignment may be made to Units, the Owners of which Developer, in its sole judgment, determines require a parking stall accessible to persons with disabilities. Such reassignment is hereby specifically declared not to constitute a material amendment of the Declaration or, when appropriate, the Condominium Map. All costs of such reassignment shall be borne as determined by Developer. Notwithstanding the foregoing, Developer also reserves the right, but does not hereby undertake any obligation, to interchange guest parking stalls and the disabled guest parking stalls to accommodate Unit Owners in need of such parking. The rights of Developer under this Section may be assigned to the Association, without the consent of joinder of the Board.

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE RESERVED RIGHT TO ASSIGN OR RE-ASSIGN PARKING STALLS CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, HOUSE RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS EXHIBIT AND THE DECLARATION, BYLAWS, CONDOMINIUM MAP, HOUSE RULES OR OTHER DOCUMENTS OF THE COMMUNITY, SUCH DOCUMENTS WILL CONTROL.

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE BOUNDARIES OF THE UNITS CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, HOUSE RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. EXHIBIT F
Section 1.6 -- Permitted Alterations

1. Except as provided in the Declaration, repair, reconstruction, restoration, replacement of the Community or any building or other structure or unit within the Community or construction of any additional building or other structure or structural alteration or addition thereto, different in any material respect from the Condominium Map shall be undertaken by the Association or any Unit Owners only pursuant to an amendment of the Declaration. Except as expressly provided otherwise in the Declaration, any such amendment shall be duly executed by or pursuant to the affirmative vote of seventy-five percent of the Unit Owners and accompanied by the written consent of the eligible holders of first mortgage (as hereinafter defined) on Units to which at least sixty-seven percent of the votes of Units subject to mortgages held by such eligible holders are allocated, and in accordance with complete plans and specifications therefor first approved in writing by the Board. Promptly upon completion of such repair, reconstruction, restoration, replacement, construction, alteration or addition, the Association shall duly record and file of record such amendment together with a complete set of floor plans of the Community as so altered, certified as-built by a licensed, registered architect or professional engineer.

Section 3.5 -- Changes to the Condominium Documents

Owners may not amend any provisions in the Declaration and Bylaws reserving rights to the Developer without the consent of Developer.

Amendment to Declaration:

Pursuant to the Declaration, Developer may amend the Declaration, the Bylaws and/or the Condominium Map, without the approval, consent or joinder of any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, Unit purchaser or any other person who may have an interest in the Community, to correct typographical or mathematical errors and to make such amendments as may be required by law, by the Real Estate Commission of the State of Hawaii, by any title insurance company issuing a title insurance policy on the Community or any of the Units, by any institutional lender lending funds on the security of the Community or any of the Units, or by any governmental agency (including without limitation the VA, HUD, FHA, FNMA and/or FHLMC) or as otherwise required by Developer (including specifically without limitation the right to alter, adjust, or reassign guest parking stalls, retrofit adaptable parking stalls and limit the use thereof, and to change covered and uncovered parking stalls); provided, however, that, except as otherwise provided herein, no such amendment which would change the common interest appurtenant to a Unit or substantially change the design, location or size of a Unit or the building in which it is located shall be made without the consent to such amendment by all persons having an interest in such Unit.

Pursuant to the Declaration, Developer may amend the Declaration (and when appropriate the Condominium Map) without the approval, consent or joinder of any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, Unit purchaser or any other person who may have an interest in the Community or in any Unit, to file a verified statement of the developer, a registered architect, or a professional engineer certifying that the final Recorded Condominium Map fully and accurately depicts the layout, location, house numbers and dimensions of the Units, as built, or that any revised plans being filed simultaneously with the amendment involve only immaterial changes to the layout, location and dimensions of the Units as built or any change in any house number, or such other changes as Developer is permitted to make pursuant to the Declaration.

Pursuant to the Declaration, notwithstanding the sale and Recording of conveyances for all Units within the Community, Developer may amend the Declaration, the Condominium Map and/or the Bylaws as may be provided in the Declaration in connection with the exercise of any right reserved to Developer, without the approval, consent or joinder of any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, or any other person who may have an interest in the Community or in any Unit.

Pursuant to the Declaration, restoration of the Community with less than all of the units after any casualty or condemnation may be undertaken by the Association, except where required by law, only pursuant to an amended declaration, duly adopted by the affirmative vote of not less than eighty percent (80%) of the Unit Owners, including at least eighty percent (80%) of the Owners of Units that will not be restored, and by all holders of liens affecting all or any part of the Community.

Pursuant to the Declaration, except as provided in the Declaration, repair, reconstruction, restoration, replacement of the Community or any building or other structure or unit within the Community or construction of any additional building or other structure or structural alteration or addition thereto, different in any material respect from the Condominium Map shall be undertaken by the Association or any Unit Owners only pursuant to an amendment of the Declaration, which amendment shall be duly executed by or pursuant to the affirmative vote of seventy-five percent of the Unit Owners and accompanied by the written consent of the eligible holders of first mortgage (as hereinafter defined) on Units to which at least sixty-seven percent of the votes of Units subject to mortgages held by such eligible holders are allocated, and in accordance with complete plans and specifications therefor first approved in writing by the Board.

Pursuant to the Declaration, except as otherwise expressly provided in the Declaration or in the Act, the Declaration may be amended by the affirmative vote or written consent of not less than seventy-five percent of the owners at a meeting of the Association called for that purpose, and effective only upon the recording of an instrument setting forth such amendment and vote, duly executed by any two officers of the Association; provided, however, that, except as otherwise expressly provided in the Declaration or in the Act, the approval of eligible holders of first mortgages on Units to which at least fifty-one percent of the votes of Units subject to mortgages held by such eligible holders are allocated, together with such other approval requirements as set forth in the Declaration, shall be required to materially amend any provision of the Declaration, or to add any material provisions set forth in the Declaration.

Any provision of the Declaration to the contrary notwithstanding, and in addition to such other approval requirements as are set forth in the Declaration, to the extent permitted by Section 514B-106(d) of the Act, the prior written approval of Developer is required before any amendment which would impair or diminish the rights of Developer to complete the Property or sell or lease Units therein in accordance with the Declaration shall become effective. Notwithstanding any other provisions of the Declaration, until such time as Developer no longer owns any Unit in the Community, the following actions, before being undertaken by the Association, shall first be approved in writing by Developer:

(a) Mortgagee Approval. Any amendment or action requiring the approval of Mortgagees pursuant to the Declaration;

(b) Capital Improvement Assessment. The levy of a capital improvement Assessment for the construction of new facilities not constructed in the Common Element by Declarant;

(c) Reduction in Services. Subject to any restrictions contained in the Bylaws regarding limitations on general assessment increases, any significant reduction of Association maintenance or other services;

(f) Common Elements. Conveyance or dedication by the Association of all or any portion of the Common Elements;

(g) Ka Malanai DRC Enforcement and Review Procedures. Modification of the enforcement and review procedures of the Board or Ka Malanai DRC, or any change in the architectural and landscaping design originally installed by Declarant;

(h) Improvements to and Maintenance of Common Elements. Modification to Improvements to the Common Elements or to the level or frequency of maintenance of the Common Elements;

(i) Enforcement of the Declaration. Alteration in the method of enforcing the provisions of the Declaration; or

(j) Declarant's Reserved Rights. Any modification of the rights reserved and granted to Declarant herein with respect to development or sale of the Property or which are for the express benefit of Declarant.

Amendment to Bylaws:

Pursuant to Section 3.2 of the Bylaws, the Bylaws may be amended to reduce the number of Board members where at least seventy percent (70%) of the unit owners do not reside at the Community by the written consent of a majority of Owners or the vote of a majority of a quorum at any annual meeting or special meeting called for that purpose.

Pursuant to Section 11.2 of the Bylaws, the Bylaws may be amended in any respect not inconsistent with law or the Declaration by the affirmative vote or written consent of not less than sixty-seven percent (67%) of the Owners.

Until such time as the Declarant has turned over administration of the Community to the Association, Declarant shall have the right to amend the Bylaws without the approval, consent or joinder of, or notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, Unit purchaser or any other person who may have an interest in the Community.

THIS EXHIBIT IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE CHANGES TO THE CONDOMINIUM DOCUMENTS CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, HOUSE RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS AS A GENERAL SUMMARY, PURCHASERS SHOULD REFER TO THE CONSTITUENT DOCUMENTS OF THE COMMUNITY. EXHIBIT O

Section 3.6 -- Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

The Developer has the right to change the condominium documents for any of the following reasons or purposes:

In addition to the easements established as Limited Common Elements and any easements and reserved rights described in Exhibit "A" attached to the Declaration, (including without limitation the rights reserved to Declarant and others in Section F of the Declaration and the rights of Declarant reserved under the Merger Declaration), the Units and Common Elements shall have and be subject to the following easements and reserved rights by Declarant:

1. **Easement Rights Exercisable by Declarant.** Declarant shall have the right to designate, grant, convey, transfer, cancel, relocate and otherwise deal with any easements over, under, across or through the Common Elements of the Community for any reasonable purpose, which may include, but shall not be limited to, those purposes which are necessary for the operation, care, upkeep, maintenance or repair of any Unit, the Common Elements or any easements for utilities or for any public purpose.
2. **Declarant's Reserved Rights Concerning Easements.** Declarant reserves a present easement over the whole of the Land and Common Elements, together with the right for itself and its successors and assigns, to designate, grant, convey, transfer, cancel, relocate, reserve or otherwise deal with any easements, licenses, and rights of way at any time for utilities, air conditioning service or access ways or stairs for one or more units, any public-type facility (mailboxes and the like), sanitary and storm sewers, cable television transmission facilities, party walls (including the creation of the same on the Community boundaries), refuse disposal, sight distance, landscape, maintenance, driveways, parking areas, Community Access Drives and other similar purposes, on, over, across, under and through the Common Elements of the Community. Without limiting the generality of the foregoing, Declarant reserves the right to utilize any common roadway and utility facilities (including without limitation water, sewer, electrical, telephone, and cable) described in the prior sentence (such as, but not limited to, waterlines, sewer lines, Community Access Drive and the like) whether located in designated easement areas or otherwise, together with the right of entry to construct, reconstruct, operate, maintain, repair and relocate such lines, facilities and appurtenances and to grant any such easements or rights of way to governmental or quasi-governmental authorities, utility or service companies, homeowner's associations or other entities and the right to grant, dedicate, designate, use and enjoy easements and/or rights-of-way for access purposes (including for vehicular and pedestrian access). Declarant may, in its discretion, complete any construction of intended facilities in advance of the designation or creation and granting of the easement covering the facilities so constructed. Without limiting the generality of the foregoing, Declarant reserves the right to grant easements in favor of the Master Association, including, without limitation, for landscape, electricity, utility, tot lot, and maintenance purposes. The rights reserved to Declarant include specifically without limitation the right to utilize any utility service to the Community to complete such construction, to perform warranty or punchlist repair services within the Community and to serve adjacent and separate developments outside of the Community provided Declarant with respect to such separate and/or adjacent communities submeters such use, and may use the Community Access Drives to serve adjacent developments provided the association controlling such development shares pro rata in the cost of maintenance and repair of the Community Access Drives and reimburses the Association for any submetered use. Without limiting the generality of the foregoing, Declarant, for itself and for

the benefit of the Association, reserves the right to install a submeter for water and/or electricity usage at the tot lot. The easements retained in this Section and these reserved rights shall be exercised in a manner that will not materially impair or interfere with the use of any Unit. In the event of a submetered use (such as water service), the Association shall be entitled to confirm submeter readings. Each Owner, by purchasing a Unit, consents to any such designation, granting, conveyance, transfer, cancellation, relocation and reservation of easements and/or rights of way as provided above without the necessity of any Owner or those claiming by, through or under an Owner entering into any further agreement respecting such action or document; provided, however, that such Owner and those claiming by, through or under an Owner agrees to join in and execute such documents and instruments and do such other things as may be necessary or convenient to effect the same promptly at the request of Declarant without payment of additional consideration.

3. **Easement to Conduct Extensive Sales Activities.** Declarant, and its agents, successors, mortgagees and assigns, shall, have the right and an easement to conduct extensive sales activities on and at the Community, including the use of any Unit owned by Declarant (and any other Unit, with the express permission of the Owner of such Unit) and the Common Elements (excluding Limited Common Elements appurtenant to other Units) for model homes, sales and management offices, parking and extensive sales displays and activities, and the posting and maintenance of signs and other advertisements relating to such sales activities. Without limitation of the foregoing, Declarant reserves, for itself and its successors and assigns, the right during the course of Declarant's sales of Units in the Community to supplement, modify and amend the estimated breakdown of annual maintenance fees and estimated cost of assessment to each Unit, as Declarant deems appropriate, to reflect changes in estimated expenses applicable to ownership of Units attributable to the increase in cost of service or modification of proposed service to the Association reflected in the budget for annual maintenance fees. Upon such modifications, Declarant may supplement and amend its public report applicable to the Community, which modification shall not be deemed material in any respect.

4. **Declarant's Easement to Complete Construction and Make Repairs.** Declarant and its agents, employees, contractors, licensees, successors, mortgagees and assigns shall have an easement over, under and upon any portion of the Community, including the Common Elements, any utility service, Limited Common Elements and any Unit, as may be reasonably necessary for the inspection of and for the completion of improvements to and correction of defects and other "punchlist" and warranty items in the Unit or the Community. The rights reserved in this Section shall continue until ten (10) years after the later of: (i) the Recording of the "as built" verified statement required by Section 514B-34 of the Act; (ii) the "date of completion" of the improvements as defined in Section 507-43(f), Hawaii Revised Statutes of the last Unit constructed in the Merged Community; (iii) the date of the sale of the last Unit owned by Declarant in the Merged Community; or (iv) the expiration of the applicable limited warranty period for any portion or portions of the Common Elements.

5. **Declarant's Easements for Development, Construction, and Sale.** Declarant and its agents, employees, contractors, licensees, successors, mortgagees and assigns shall have an easement over, under and upon the Community and each and any portion of the Community and the individual Units to create and cause noise, dust, vibration and other nuisances or annoyances created by and resulting from any work connected with or incidental to the development, construction and sale of any Unit or other Improvement to the Community, any additional increment to the Community, or any other community which Declarant, its successors or assigns, may develop on property adjacent to or in the vicinity of the Community. Each and every Owner or other person acquiring any interest in the Community waives any and

all rights, claims or actions that might otherwise be asserted against Declarant, its agents, employees, licensees, successors, mortgagees and assigns, based on any such noise, dust, vibration and other nuisances or annoyances. Without limitation of the foregoing:

(a) Declarant, its agents, employees, consultants, contractors, licensees, successors, mortgagees and assigns, shall have an easement over, under and upon the Community as may be reasonable or appropriate for additional construction, the completion of renovations to the improvements of the Community, and (at the option of Declarant) the correction of defects therein. In addition to any other easements reserved to Declarant under the Declaration, in connection with, and to the extent necessary for the development and construction of Units, common facilities, and/or Increments following the transfer of ownership of any Unit to an individual or entity other than Declarant, Declarant shall have the right to enter upon the Community premises with employees, agents and contractors for all purposes reasonably necessary for or useful to constructing and completing all Increments in accordance with the Declaration and the Condominium Map. Such rights shall include, but are not limited to, the following:

(i) An easement over, under and across the Common Elements of the Community and all utility service to the Community for the purposes of all work connected with or incidental to the development, construction and sale of the Units or increments; and

(ii) The right in the nature of an easement over and upon the existing buildings and Common Elements of the Community to create and cause dust, noise, vibration and other nuisances created by and resulting from any work connected with or incidental to the development, construction and sale of the Increments or Units.

(b) Declarant, its contractors, subcontractors, licensees, mortgagees and assigns, and their respective employees and agents, shall have the right and an easement in favor of Declarant and its successors and assigns is hereby granted at any time and from time to time prior to the later of the thirtieth (30th) anniversary date from the recording of the Declaration or until the date two (2) years following the date of the sale of the last Apartment owned by Declarant in the Merged Community, to enter upon, use, remove, replace, add to, or otherwise alter the Common Elements and the Limited Common Elements of the Community and to do all things reasonably necessary, desirable or useful for designing, developing, constructing or completing any additional increment to the Community, connecting any such additional Increment to the utility installations of the Community, and selling the Units contained within any such additional or increment, including, but not limited to, the right to consolidate any parcel(s) of land covered hereby with any other parcel(s) of land in connection with the merger of increments; provided that the exercise of the rights granted herein shall not cause any permanent or avoidable interruption in the service of utilities to the Community, and provided further that any person exercising such rights shall use reasonable efforts, without additional cost to Declarant and consistent with maintaining the progress of the design, development, construction, completion and sale of the additional increment, to minimize interference with the Owners' use and enjoyment of the Property. Declarant further reserves the right to grant, for the benefit of the owner or owners from time to time of all or any portion of each of the other Increments, and without the consent or joinder of, or notice to, any party having any interest in the Community, easements over, under, across, along, upon and through the Common

Elements of the Community for ingress and egress purposes, access purposes, electrical, gas, sight distance, communications and other utility purposes, sanitary sewer, drainage and drainline, waterline, and flowage purposes, and all other purposes, to the State of Hawaii, the County, the Board of Water Supply of the County, any other appropriate governmental agency, and/or any public or private utility or other corporation, partnership, individual or entity, provided that such easements and rights-of-way do not materially impair or interfere with the use of any Unit in the Community or the Common Elements of the Community.

(c) Without limiting the foregoing, anything to the contrary notwithstanding, Declarant shall have the following retained and reserved construction easements:

(i) A non-exclusive easement in all structural members, footings, foundations, columns and beams and any other supporting components located in or constituting a part of the Community;

(ii) A non-exclusive easement for access to, the right to connect to and the use for their intended purposes and maintenance, of all facilities located in the Community including heating, ventilating and air conditioning systems, boilers and hot water systems, sewer systems and water supply systems;

- (b) Two (2) years after Declarant has ceased to offer Units for sale in the ordinary course of business;
- (c) Two (2) years after any right to add new Units was last exercised; or
- (d) The day Declarant, after giving written notice to Unit Owners, Records an instrument voluntarily surrendering all rights to control activities of the Association.

Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before termination of the Control Period, but in such event Declarant may require, for the duration of the period of Declarant control, that specified actions of the Association or Board, as described in a Recorded instrument executed by Declarant, be approved by Declarant before they become effective, provided, however, that during the Control Period (i) Declarant must provide a copy of all amendments to the Department of Veterans Administration (the "**VA**"), and (ii) the Association may not make any material amendments or take any extraordinary actions as described in VA Pamphlet 26-7 revised, as may be applicable, without the approval of VA.

Until such time as the Declarant has turned over administration of the Community to the Association, Declarant shall have the right to amend the Bylaws without the approval, consent or joinder of, or notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, Unit purchaser or any other person who may have an interest in the Community.

25. **Amendment by Declarant.** Declarant reserves and shall have the right to amend the Declaration and Condominium Map to effect the rights reserved to Declarant specified above (set out in Section E of the Declaration) and those rights reserved to Declarant under Section R of the Declaration.

26. **No Limitation to Right to Construct Units.** Nothing in the Declaration shall be deemed to or otherwise limit or inhibit the Declarant's ability to construct some or all Units in the Community in accordance with the Declaration and the Condominium Map, as the same may be amended.

27. **Cable/Data System.** Without limiting any other right reserved or available to Declarant in the Declaration or at law, Declarant hereby reserves the exclusive right to install or have installed a Cable/Data System as defined below to include the cost for provision of such service in the Community operating budget (Initial Maintenance Fees) and to subject the Community to the cable contract defined below. The Cable/Data System, if and when installed, may be maintained by either a satellite/cable television provider or a telecommunication service provider or both as provided in the contract for the delivery of installation of such system or facilities. Declarant reserves the right to grant non-exclusive easements over the Community as necessary to provide cable television and telecommunication services to Owners, or some portion of them, including easements for access, ingress, and egress for installation, maintenance, and removal of any type of cable and telecommunication equipment, including, without limitation, antennae, head end equipment, cable amplifier, line splitting devices, coaxial cable, amplifier housing, and all facilities related thereto (collectively, "**Cable/Data System**"), as well as for the solicitation of sales, marketing, disconnection of service, and subscriber equipment retrieval. Each Unit and the Community shall be subject to an easement in favor of all other Units and in favor of the entity holding the right to provide cable television and telecommunication service to the Community, to provide for the passage through the Units and the Common Elements of television and telecommunication connections from any other Unit to the Cable/Data System, and shall be subject to further easement for the placement and maintenance of such connections. Declarant, on behalf of itself and its successors, assigns, and grantees, hereby acknowledges and agrees that its interest in the Community and any Owner's interest of the Association's interest in the Community shall be subject to the terms of any agreement between Declarant and a satellite/cable television provider or a telecommunication services provider (collectively, the "**Cable Contract**"), and the Association and all Owners shall be subject to all of the limitations, restrictions, reservations, rights, easements, conditions, and covenants set forth in such Cable Contract. Declarant may assign such cable contract to the Association pursuant to **Section E.9** of the Declaration without the consent or joinder of or notice to any Owner or the Association. Declarant shall be entitled to collect and retain all amounts payable under the Cable Contract or any assignment of Declarant's rights thereunder. Under no circumstances may the Association, any Owner or any other person engage in, exercise, perform or permit any of the activities or rights reserved to Declarant or install, construct or operate any of the antennae, satellite dishes, equipment, facilities, lines or wires described above at or from the common elements without the prior written consent of Declarant (which consent may be withheld in its sole and absolute discretion).

30. **Reserved Right to Amend and Restate Community Documents to Include Kukuna at Mehana in the Awakea Community and Rename the Community.** Any other provision in the Declaration to the contrary notwithstanding, Declarant shall have the reserved right any time prior to the date that a Unit has been sold and the conveyance thereof Recorded, at its sole discretion and without being required to obtain the consent or joinder of, or provide

notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lien holder, any Unit purchaser, or any other person who may have an interest in the Community or in any Unit, to incorporate the approximately seventy-three (73) detached units (the "Kukuna Units") in the Community into the Awakea at Mehana community ("Awakea"), which property is located within the vicinity of the Property. In such event, Declarant shall have the absolute right to amend and restate the Declaration, the Bylaws, the Condominium Map and/or any other Community Document as Declarant deems necessary and appropriate to include Kukuna at Mehana as part of the Awakea Community (as so modified, the "Modified Community"), including, without limitation, by amending the Declaration, the Bylaws, the Condominium Map and/or any other Community Document to: (i) create two or more classes of Units comprised of, at a minimum, (a) the one-hundred twenty-five (125) attached Units located within the Awakea Community, together with appurtenant class limited common elements included within the existing Community and (b) the Kukuna Units, together with appurtenant class limited common elements included within Kukuna; (ii) adjust the common interests and easements appurtenant to Units in the Modified Community, and assign class limited common interests to each Unit in the Modified Community equal to the common interest of such Units specified in the Declaration, and, to the extent applicable, multi-class limited common interests to each class in the Modified Community; (iii) to change the name of the Community so that the Modified Community contains both the *Kukuna* and *Awakea* appellations and (iv) include any other provisions to facilitate the operation and administration of the Modified Community, as deemed necessary and appropriate by Declarant in its absolute discretion. Without limitation of the foregoing, the common interest appurtenant to each Unit in the Modified Community shall be determined in a fair and equitable manner to reflect the discrete uses and benefits or lack thereof accruing to Units within an individual class and to the respective classes, allocating the estimated general benefit received by the Unit from the operation and maintenance of the Common Elements and Limited Common Elements and taking into account the mixed use character of the Modified Community, and rounding off so that the total of all common interests equals 1.0000 (100.00%). The class common interest appurtenant to a particular Unit within Kukuna shall be equal to the common interest assigned to such unit by the Declaration and the class common interest appurtenant to a particular Unit within Awakea shall be the common interest assigned to such unit by the declaration applicable to the Awakea community. The common interest appurtenant to a particular class with respect to the multi-class limited common elements has been determined by estimating the relative benefit received by the unit class from the multi-class limited common element or, if appropriate, by dividing the approximate total net interior floor area of the unit in a particular class by the approximate total net interior floor area of all units in all classes served by the multi-class limited common element, rounded off so that the total of all common interests equals 1.0000 (100%).

31. **Declarant's Exercise of Rights.** Each of the rights reserved to Declarant in the Declaration may be exercised by Declarant or its authorized representatives in their respective sole and absolute discretion and without being required to obtain the consent or joinder of, or provide notice to, any Person or group of Persons, including the Association, any Unit Owner or any mortgagee, lien holder, any Unit purchaser, or any other person who may have an interest in the Community or in any Unit.

32. **Amendment to Declaration and Condominium Map.** Declarant shall have the absolute right, notwithstanding the lease, sale, or conveyance of any Unit and without being required to obtain the consent or joinder of or provide notice to any Unit Owner, lien holder, or other persons, to amend the Declaration and the Condominium Map as necessary or convenient to describe any new Improvements constructed on the Property in accordance with the Declaration and to make such amendments to the Declaration as are appropriate.

33. **Right to Alter the Community.** Declarant shall have the absolute right, notwithstanding the lease, sale, or conveyance of any Unit and without being required to obtain the consent or joinder of or provide notice to any Unit Owner, lien holder, or other persons, to make other alterations in the Community (and to amend the Declaration and the Condominium Map accordingly) which make minor changes in any Unit in the Community or in the Common Elements and/or Limited Common Elements that do not affect the physical location, design, or size of any Unit that has been sold and the conveyance thereof Recorded.

34. **Reservation to Reconfigure and Delete Land**

a. **Withdrawal and Deletions.** Any other provision in the Declaration to the contrary notwithstanding, Declarant or its authorized representatives shall have the right, at its sole discretion and without being required to obtain the consent or joinder of, or provide notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lien holder, any Unit purchaser, or any other person who may have an interest in the Community or in any Unit, to effect or participate (unilaterally or jointly with the owner or owners of adjacent parcels of land) in one or more subdivisions of the Community land or consolidations and resubdivisions of the Community land with adjacent parcels of land, the result of which may be to adjust the boundaries of the Community land and to include the Hammerhead area, and/or to delete or withdraw from the Community all or a portion of the land covered by the Declaration, excepting only the Community area of approximately 9.1 acres, and/or to delete or withdraw from such Community area the Road Reserve Easement area (sometimes, the land to be removed is hereafter described as the "Removable Land" and the land to be included is referred to as the "Inclusion Land"). Any such adjustment of boundaries will reconfigure the Community land such that it actually conforms to the configuration of the Community land as depicted on the Condominium Map, except as herein provided with respect to the Hammerhead area and the Road Reserve Easement area, which may be included or excluded from the Community land as appropriate, and, consequently, will not affect the layout, location, dimensions or structure of any of the buildings, Units or other Increments of the Community as shown on the Condominium Map, and will not change or reapportion the common interests appurtenant to the Units, all as set forth and described in the Declaration. Upon such inclusion, removal, withdrawal and/or deletion: (i) the included land will be part of the Community, and (ii) with no further action required, the Removable Land shall cease to be a part of the Community or subject to the Declaration or the Act, and no Unit Owner, mortgagee, lien holder, Unit purchaser or any other person (other than Declarant and the holder of any blanket mortgage affecting the Removable Land prior to the Declaration) who may have an interest in the Community or any Unit shall have any legal or equitable interest in the Removable Land (or in any other land adjacent to the Community land which may have been consolidated with the Community land pursuant to this Section) and shall be deemed to have quitclaimed and/or released to Declarant any and all interest each person may have had in the Removable Land or in any other land which may have been consolidated with the Community land pursuant to this Section. If deemed necessary to effect the intent of this Section, each Unit Owner, mortgagee, lien holder and any other person who may have an interest in the Community or any Unit shall, if requested by Declarant, unconditionally quitclaim and/or release its interest, if any, in the Removable Land (and in any other land adjacent to the Community Land which may have been consolidated with the Community land pursuant to this Section) to Declarant or to Declarant's designee. Declarant shall also have the right, at its sole discretion and without being required to obtain the consent or joinder of, or provide notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lien holder, any Unit purchaser, or any other person who may have an interest in the Community or in any Unit, to consolidate and

resubdivide or subdivide the Property, relocate and subsequently grant the roadways, driveways and easements.

In the exercise of the foregoing rights, Declarant may at any time and multiple times (a) file and process to final approval an application with the County for a legal subdivision of the Removable Land from the land covered by the Declaration (or for a consolidation and resubdivision resulting in the legal subdivision of the Removable Land from the land covered by the Declaration), (b) file and process a petition for an order of subdivision or consolidation and resubdivision, designation, granting, conveyance, transfer, cancellation, relocation and reservation of easements and/or rights of way with the Land Court of the State of Hawaii, and/or any other procedure required to fully and legally effect such subdivision or consolidation and resubdivision, designation, granting, conveyance, transfer, cancellation, relocation and reservation of easements and/or rights of way, (c) Record one or more amendments to the Declaration which shall contain an amended description of the land covered by the Declaration deleting therefrom the Removable Land, (d) if deemed necessary by Declarant, Record one or more amendments to the Condominium Map showing any changes to the Community, and (e) if deemed necessary by Declarant, apply for and obtain from the Real Estate Commission of the State of Hawaii an amended Developer's Public Report describing the changes made to the Community pursuant to this Section. The Removable Land shall be deemed deleted or withdrawn from the Community for all purposes upon the Recordation of the amendment(s) to the Declaration referenced herein.

Declarant shall have the absolute right, notwithstanding the lease, sale or conveyance of any Unit and without being required to obtain the consent or joinder of, or provide notice to, any Unit Owner, lien holder or other persons, to effect the inclusion of the Inclusion Land, and the removal, withdrawal and/or deletion of the Removable Land in accordance with this Section, and to execute, Record and/or file the herein described applications, petitions, amendments, quitclaims, releases and any and all other instruments necessary or appropriate for the purpose of effecting the removal, withdrawal and/or deletion of the Removable Land as contemplated in this Section. Any such action shall be deemed taken by Declarant as the true and lawful attorney-in-fact of the respective Unit Owners and lien holders. Each and every party acquiring an interest in any Unit, the Community or the land covered by the Declaration, by such acquisition, consents to such removal, withdrawal and/or deletion and to the filing or Recordation of such documents as may be necessary or convenient to effect the same, agrees to execute such documents and do such other things on its behalf, which grant of such power, being coupled with an interest, is irrevocable and shall not be affected by the disability of any such party.

b. Annexation. Declarant shall have the absolute right, notwithstanding the lease, sale, or conveyance of any Unit and without being required to obtain the consent or joinder of, or provide notice to, any Unit Owner, lien holder, or other persons, but not the obligation, from time to time and at any time, to annex by Supplemental Declaration additional real property, whether in fee simple or leasehold to the Declaration in Increments of any size whatsoever, or to annex more than one such Increment at any given time and in any given order. Any such property not specifically annexed by Supplemental Declaration properly Recorded shall not become subject to the Declaration. Supplemental Declarations may contain such complementary or supplementary additions and modifications of the provisions of the Declaration as may be necessary to reflect the different character, if any, of the property being annexed and may add, delete, or modify provisions of the Declaration as it applies to the property being annexed. The Recordation of such Supplemental Declaration shall constitute and effectuate the annexation of the property described therein, unless a later effective date is

specified in the Supplemental Declaration, making such real property subject to the Declaration and subject to the functions, powers, and jurisdiction of the Association, and thereafter said real property shall be part of the Community and Property for all intents and purposes of the Declaration, and all of the owners of units in the annexed property shall automatically be Owners hereunder. Each Owner hereby acknowledges and agrees that their voting power as a member may be altered (diminished or increased) attributable to such an annexation.

The rights reserved to Declarant under this Section shall extend to Declarant and its successors and assigns.

The rights reserved to Declarant in this Section are subject to the following conditions:

(a) The removal, withdrawal and/or deletion of the Removable Land shall not adversely affect the layout, location, dimensions or structure of any of the buildings, Units to the Community as shown on the Condominium Map.

(b) The removal, withdrawal and/or deletion of the Removable Land shall not change or reapportion the common interest appurtenant to the Units.

(c) The subdivision or consolidation and resubdivision pursuant to this Section shall be ordered and effected on or before December 31, 2030.

35. Declarant's Rights Under the Unilateral Agreement. Declarant hereby reserves on behalf of itself and its respective officers, agents, employees, successors, and assigns, without the consent or joinder of or notice to any Unit Owner or their respective mortgagees, all and privileges necessary to perform those actions reserved under that certain Unilateral Agreement, including but not limited to the right to establish, create and improve parks and pedestrian and bike paths as shown on the Updated Preliminary Land Use Plan dated August 19, 2004 (**Exhibit B-1** to the Unilateral Agreement), including the connection of the parks and the elementary school fields and playgrounds by footpaths, to establish and create and improve the "Village Walk", anywhere within the Mehana Community as shown in **Exhibit B-2** to the Unilateral Agreement, Village Walk Concept Plan A, dated August 19, 2004, attached to the Unilateral Agreement and to provide public pedestrian and vehicular connections to the regional drainage corridor as shown in the Updated Preliminary Land Use Plan dated August 19, 2004 (**Exhibit B-1** to the Unilateral Agreement, which is described as the regional drainage channel in the Master Declaration ("**Regional Drainage Channel**")). Declarant reserves the right to designate the Village Walk as a Common Element of the Community and also has the power and right under the Master Declaration to reserve to that Association the right to maintain, repair and care for the Village Walk.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL OF THE RIGHTS RESERVED BY THE DEVELOPER UNDER THE CONDOMINIUM DOCUMENTS CONTAINED IN THE DECLARATION, BY LAWS, CONDOMINIUM MAP, HOUSE RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER CAN USE THIS SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER SHOULD REFER TO THE CONDOMINIUM DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY THE DEVELOPER. EXHIBIT P

Section 4.2 -- Estimate of the Initial Maintenance Fees

The Estimated Maintenance Fee Disbursements for Kukuna at Mehana have been compiled by Hawaiiana Management Company, a licensed property manager, assuming that all units in the Community as reflected on the Condominium Map are constructed. Although the property manager makes every effort to estimate the actual cost of operation, certain budget items, especially energy costs, labor costs, and insurance, may change. The Buyer is aware that such amounts are only estimates and may change for reasons beyond the control of Developer, and the Buyer hereby specifically accepts and approves any such changes. The Buyer is also aware that such estimates do not include the Buyer's obligation for payment of real property taxes. The Buyer understands that such estimates are not intended to be and do not constitute any representation or warranty by the Developer, including but not limited to any representation or warranty as to the accuracy of such estimates. Buyer understands that Developer has not independently confirmed the accuracy or content of the estimates prepared by the licensed independent managing agent. Further, the Developer advises that costs and expenses of maintenance and operation of a condominium community are very difficult to estimate initially and even if such maintenance charges have been accurately estimated, such charges will tend to increase in an inflationary economy and as the improvements age. Maintenance charges can vary depending on services desired by unit owners and may increase significantly depending on the level of services eventually selected by the Association's Board of Directors. The Buyer should examine the maintenance charges schedule to see what services are included in the schedule and address these issues with its Board upon its formation. Buyers should also be aware that the estimates provided are as of the date reflected in the Managing Agent's certification and do not reflect the actual charges that may be incurred upon the formation of the Association and the actual contracting for such services such as insurance and maintenance, etc.

The Developer intends to pay all of the actual common expenses for the units and the unit owner shall not be obligated for the payment of the owner's share of the common expenses until such time as the Developer causes a 30 day advance written notice to be sent to the Owners that, after a specified date, the unit owners shall be obligated to pay for the portion of common expenses that is allocated to their respective units. The developer shall mail the written notice to the owners, the association, and the managing agent, if any, at least thirty days before the specified date.

The estimate of the initial annual maintenance fees and monthly estimated Maintenance fees is attached hereto.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF THE ESTIMATE OF THE INITIAL MAINTENANCE FEES CONTAINED IN THE DECLARATION, BYLAWS, CONDOMINIUM MAP, HOUSE RULES AND OTHER CONDOMINIUM DOCUMENTS. WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER CAN USE THIS SUMMARY OF SUCH RESERVED RIGHTS, PURCHASER SHOULD REFER TO THE CONDOMINIUM DECLARATION TO DETERMINE THE ACTUAL RIGHTS RESERVED BY THE DEVELOPER. IF ANY CONFLICT OR DIFFERENCES EXISTS BETWEEN THIS SUMMARY AND THE CONDOMINIUM DECLARATION, THE CONDOMINIUM DECLARATION WILL CONTROL.

1. I am the President for Hawaiiana Management Company, Ltd., a Hawaii corporation, designated by the Developer of the Kukuna at Mehana condominium project (the "Project") to act as the Managing Agent for the management and administration of the Project.

2. I hereby certify that the breakdown of the annual maintenance charges and the monthly estimated cost for each unit in the Project, as set forth in Exhibit "1" attached hereto and hereby incorporated herein by reference, were determined in accordance with Section 514B-148 of the Hawaii Revised Statutes and Chapter 107 of the Hawaii Administrative Rules, and are reasonable estimates for the one-year period commencing January 2013, based on generally accepted accounting principles.

3. As permitted pursuant to Section 514B-148(b), new associations need not collect estimated reserves until the fiscal year which begins after the association's first annual meeting. The Developer has not conducted a reserve study for the Project. The budget amount for Reserves is an estimate only.

The estimated initial monthly maintenance fee assessments do not include mandatory dues payable to the Mehana at Kapolei Community Association. The current anticipated fee is \$25.00 per unit per month, and the fee is expected to increase to at least \$45.00 per unit per month when certain Mehana common facilities are available to residents. Depending on the scope of the Mehana Association's responsibility for the maintenance of the Kapolei Regional Drainage Facilities, this cost may increase. Pending delivery of such facilities, Master Association fees may be increased at any time to \$30.00 per month or such other amount that the Master Association determines in accordance with the Master Association. The Association will collect this fee in addition to the Unit Owner's monthly maintenance fee and pay the same to the Master Association.				
Additionally, the estimated initial monthly maintenance fee assessments do not include unit water and sewer usage. Unit water and sewer usage will be submetered and billed as a limited common element expense to each Unit Owner. The limited common element expense for water and sewer usage will appear as a separate line item on each Unit Owner's monthly maintenance fee bill. In addition to the water and sewer usage charges, a fee of \$10 per unit per month will be added to each Unit Owner's monthly bill to off-set the cost of meter reading and billings services for water and sewer. The Association will collect these fees in addition to the Unit Owner's monthly maintenance fee and pay the same to the Board of Water Supply.

Section 5.1 -- Summary of Pertinent Provisions of Sales Contract

The Fee Simple Home Sales Agreement (the "**Sales Contract**" or "**Purchase Agreement**") contains the price and other terms and conditions under which a purchaser will agree to buy a Unit in the Community. Among other things, the Sales Contract states:

- (a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of a Unit.
- (b) That the purchaser acknowledges having received and read the public report for the Community prior to signing the Sales Contract.
- (c) That the Developer makes no representations concerning rental of a Unit, income or profit from a Unit, or any other economic benefit to be derived from the purchase of a Unit.
- (d) That the Sales Contract may be subordinate to the lien of a construction lender.
- (e) The Sales Contract provides that it shall not be construed as a present transfer of any rights or of any interest in the Unit, but rather states that it is an agreement to transfer in the future. By execution of the Sales Contract, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Sales Contract in favor of the lien or charge on the Community of the security interests of the Lender, including but not limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Deed.
- (f) That the purchaser's money will be held in escrow, under the terms of the Escrow Agreement.
- (g) Requirements relating to the purchaser's financing of the purchase of a Unit.
- (h) The Sales Contract provides that Purchaser may purchase upgrades, including modifications or additions to, or upgrades of, the standard fixtures, appliances and/or layout of the Unit to be made by Seller, pursuant to an option addendum attached to the Sales Contract upon Purchaser's execution of the Sales Contract. Purchaser must make deposits for the upgrades as required by Seller.
- (i) That the Unit and the Community will be subject to various other legal documents which the purchaser should examine, and that the Developer may change these documents under certain circumstances.
- (j) That, except to the extent of a limited warranty in form attached to this Public Report, the Developer makes no warranties regarding the Unit, the Community or anything installed or contained in the Unit or the Community.
- (k) That the Community will be subject to ongoing construction and sales activities which may result in certain annoyances to the purchaser.

- (l) That the purchaser must close the purchase at a certain date and pay closing costs, in addition to the purchase price.
- (m) That the Developer has reserved certain rights and powers relating to the Community and the purchaser acknowledges and consents to the exercise of such rights and powers.
- (n) That except under certain circumstances, as set forth in the Sales Contract, all interest on deposits toward the purchase price shall be the property of the Developer.
- (o) If the purchaser defaults, Developer may retain purchaser's deposits and bring an action against purchaser. If the Developer defaults, purchasers may bring an action against Developer. All actions are subject to the rules of the Dispute Prevention Resolution, Inc., as provided in the Sales Contract.
- (p) Buyer may not at any time assign its rights or obligations under the Purchase Agreement.
- (q) Any assignment of the Sales Contract is void and of no legal effect.
- (r) The Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract, or the development or management of the Community, the sale of the Unit or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Community which is raised or otherwise asserted before or after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Sales Contract.

The Sales Contracts contains various other important provisions relating to the purchase of a Unit in the Community. Purchasers and prospective purchasers should carefully read the specimen Sales Contracts on file with the Real Estate Commission. Unless otherwise defined herein, all capitalized terms used herein shall have the same meanings given them under the Purchase Agreement.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS-CONTAINED IN THE PURCHASE AGREEMENT. WHILE A BUYER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF BUYER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, BUYER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

EXHIBIT R

Section 5.1 -- Summary of Pertinent Provisions of Escrow Agreement

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("**Escrow**"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) Except under certain circumstances as set forth in the Sales Contract, all deposits toward the purchase price shall be the property of the Developer. Provided that the purchaser is not in default under the Sales Contract and the Sales Contract contains a financing provision, purchaser's deposits, less escrow cancellation fees and third party lender fees, is refundable to purchaser if purchaser fails to qualify for a mortgage loan. Otherwise, all deposits toward the purchase price shall be the property of the Developer. The purchaser will be entitled to a refund of his or her funds only under certain circumstances.
- (d) The purchaser will be entitled to a refund of his or her funds only under certain circumstances as set forth in the Sales Contract.

The Escrow Agreement also establishes the procedures for the retention and disbursement of a purchaser's funds and says what will happen to the funds upon a default under the Sales Contract. The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. Purchasers and prospective purchasers should carefully read the signed Escrow Agreement on file with the Real Estate Commission. A copy is available at the Developer's sales office. The Escrow Agreement contains the following provisions (which may be modified or otherwise limited by provisions not set forth below):

1. As and when Seller enters into a Sales Contract, Seller will give Escrow a signed copy of the Sales Contract and Buyer's deposit towards the purchase price of a Unit. The Sales Contract will require Buyer to pay to Escrow all other payments of the purchase price required under the Sales Contract. If Buyer gets a mortgage loan, the money from the loan will be paid to Escrow, along with the lender's mortgage for recording, and Escrow shall follow the lender's instructions. The Sales Contract will show the correct name and address of each Buyer. If a Sales Contract is signed and the sale occurs in a state other than Hawaii, the Sales Contract will show the place where the sale occurs.

2. Escrow will put all of the money it gets from Buyer in one or more special accounts (the "**trust fund**"). The trust fund will be deposited only at a depository designated by Seller or in banks or savings and loan institutions in Hawaii that are insured by the federal government as directed by Seller. The place, or places, where the trust fund is set up will be chosen by Escrow, unless otherwise selected or directed by Seller. Unless any of the Sales Contracts show different instructions, Seller will get all of the interest earned on the trust fund. Escrow will deposit the payments it gets from Buyer into the trust fund one or more times each week, so that the funds may earn the maximum interest.

3. Notwithstanding anything in this Agreement to the contrary, if Seller has submitted to the Real Estate Commission a material house bond securing the construction of improvements in the Community, the following provisions shall apply:

(i) Buyer's money shall not be disbursed to pay for construction costs or other expenses of the Community until the Unit to be conveyed has been completed and the Deed to Buyer has been recorded; and

(ii) If closing is to occur prior to the expiration of the applicable mechanic's lien period, Seller shall provide Buyer with a mechanic's lien endorsement to Buyer's owner's title insurance policy that protects Buyer against all future mechanic's and materialmen's liens. Further, Seller shall confirm to Escrow that Seller has provided the Real Estate Commission with a release by the general contractor of the contractor's lien rights.

4. The Sales Contract states when refunds of deposits may be made to Buyer. In the case where the Sales Contract is not yet binding and Buyer requests a refund, Escrow shall notify Seller of such request. Escrow may refund the deposit to Buyer, less any cancellation or other fees to which Escrow is entitled, only after receiving written approval from Seller. In all other cases, Escrow shall not make any refund to a Buyer who asks for it unless Escrow receives written approval from Seller or from a court of competent jurisdiction. The words "cancellation fees" mean Escrow's cancellation fees which are described in the Sales Contract and are described later in this Agreement. Fees for cancellation may also be charged by the lender who has agreed to lend Buyer money to buy the Unit. The Sales Contract states the instances when Escrow is to subtract cancellation fees from the amount to be refunded unless Seller tells Escrow not to charge the cancellation fees. Escrow shall give each Buyer who is to get a refund written notice of the refund. Escrow will send this notice by registered or certified mail to Buyer at the address shown on Buyer's Sales Contract or to the last address which Buyer may have given to Escrow.

5. Escrow will notify Seller and Buyer promptly if Buyer fails to make a payment or is otherwise in default under the Sales Contract (to the knowledge of Escrow). Seller will notify Escrow in writing if a Buyer has defaulted or not done something that Buyer promised to do in the Sales Contract. Seller will tell Escrow in the same letter that, because Buyer has defaulted, Seller is cancelling the Sales Contract and will give Escrow a copy of the letter that Seller delivered in person or sent by registered or certified mail to Buyer, telling Buyer of the default and cancellation. Seller will also give Escrow a copy of a receipt signed by Buyer or the registered or certified mail return receipt. Escrow will then send a letter to Buyer by registered or certified mail, informing Buyer that Seller has cancelled the Sales Contract because of the default. Escrow will wait for fifteen (15) days after the date which shows on the return receipt as the date when Buyer got Escrow's letter or the date which shows the last time that the post office tried to deliver the letter. If Escrow does not hear from Buyer during that time, Escrow may deduct its cancellation fee from Buyer's funds and treat Buyer's funds which are left as belonging to Seller. If Buyer tells Escrow that Buyer has not defaulted or tells Escrow not to do anything with Buyer's funds, then Escrow may proceed in accordance with Section 5.2 of the Escrow Agreement (to interplead funds) or deliver the funds to Seller.

6. Escrow will set the time (in accordance with Sales Contract and Seller's interest to pre-close) for taking in all money from each Buyer and for the signing of all of the documents that each Buyer must sign to complete the purchase, except for the mortgage documents, which may be signed at the lender's place of business. The conveyance tax certificates, preliminary closing statements, escrow instructions and final closing statements will be prepared by Escrow,

and Escrow will do all of the escrow acts required under this Agreement or any other written agreements between Seller, Buyer and Escrow. Escrow will give Buyer and Seller copies of HARPTA and FIRPTA forms, or provide the online link to obtain copies of those forms, with a recommendation that the parties seek appropriate counsel to complete the forms. Escrow will coordinate with Buyer's lender, the title companies and all others who are a part of the purchase so that closing will occur at a suitable time. Escrow agrees to close all of the sales at the same time or individually from time to time, as directed by Seller. "Closing" is complete when all necessary conveyance and financing documents to complete a purchase are recorded in the appropriate Hawaii recording office. After all documents have been signed, Escrow will close on the closing date as agreed to in the Sales Contract only if:

- (i) The required money has been paid to Escrow;
- (ii) All necessary documents can be recorded, as appropriate;
- (iii) All mortgages having to do with the purchase can be recorded, following the lender's instructions; and
- (iv) All necessary releases can be recorded so that the Unit is conveyed free and clear of all blanket liens in accordance with the Condominium Law.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, ONE MUST REFER TO THE ACTUAL ESCROW AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.

Section -- 5.2 Sales to Owner Occupants

**KUKUNA AT MEHANA
AFFIDAVIT OF INTENT TO PURCHASE AND RESIDE IN AN OWNER-OCCUPANT
DESIGNATED TOWNHOME CONDOMINIUM UNIT**

[] Chronological System [] Lottery System

We, the undersigned "owner-occupants", on this _____ day of _____, 20____, do hereby declare that it is our intention to purchase and reside in a designated townhouse condominium unit designated for an "owner-occupant" in Kukuna at Mehana condominium community ("Community") proposed by D.R. Horton – Schuler Homes, LLC, a Delaware limited liability company, dba D.R. Horton-Schuler Division ("Developer").

We understand, affirm, represent and agree by signing this Affidavit that:

1. It is our intent to reserve and purchase an owner-occupant designated residential unit ("designated residential unit") pursuant to Section 514B-96 of the Owner-Occupant Law, and upon closing escrow, to reside in the designated residential unit as our principal unit for 365 consecutive days.

2. The term "owner-occupant" as used herein is defined in section 514B-95 of the Owner-Occupant Law as:

"...any individual in whose name sole or joint legal title is held in a residential unit that, simultaneous to such ownership, serves as the individual's principal residence, as defined by the department of taxation, for a period of not less than three hundred and sixty-five consecutive days; provided that the individual shall retain complete possessory control of the premises of the residential unit during this period. An individual shall not be deemed to have complete possessory control of the premises if the individual rents, leases, or assigns the premises for any period of time to any other person in whose name legal title is not held; except that an individual shall be deemed to have complete possessory control even when the individual conveys or transfers the unit into a trust for estate planning purposes and continues in the use of the premises as the individual's principal residence during this period." (Emphasis added).

3. We understand that if two or more prospective owner-occupants intend to reside jointly in the same designated residential unit, only one owner-occupant's name shall be placed on the reservation list for either the chronological system or the lottery system.

4. Should we require financing from a financial institution to purchase the designated residential unit, the financing shall be an owner-occupant mortgage loan. The financial institution is required to take all reasonable steps necessary to determine whether the borrower intends to become an owner-occupant.

5. At any time after obtaining adequate financing or a commitment for adequate financing up until the expiration of this Affidavit (365 days after recordation of the instrument conveying the designated residential unit to us), we shall notify the Real Estate Commission immediately upon any decision to cease being an owner-occupant of the designated residential unit.

6. At closing of escrow, we shall file a claim for and secure an owner-occupant property tax exemption with the appropriate county office for the designated residential unit.

7. We have personally executed this Affidavit and we are all of the prospective owner-occupants for the designated residential unit. This Affidavit shall not be executed by an attorney-in-fact.

8. We shall not sell or offer to sell, lease or offer to lease, rent or offer to rent, assign or offer to assign, convey or otherwise transfer any interest in the designated residential unit until at least 365 consecutive days have elapsed since the recordation of the instrument conveying title to the designated residential unit to us. Furthermore, we understand that we have the burden of proving our compliance with the law. We affirm that we will notify the Real Estate Commission immediately upon any decision to cease being an owner occupant.

9. We understand that it is the affirmative duty of any developer, employee or agent of a developer, and real estate licensee, to report immediately to the Real Estate Commission any person who violates or attempts to violate the Owner-Occupant Law. No developer, employee or agent of a developer, or real estate licensee shall violate or aid any person in violating the Owner-Occupant Law.

10. The Real Estate Commission may require verification of our owner-occupant status and if we fail to submit such verification, we may be subject to a fine in an amount equal to the profit made from the sale, assignment or transfer of the designated residential unit.

11. Any false statement in this Affidavit or violation of the Owner-Occupant Law shall subject us to a misdemeanor charge with a fine not to exceed \$2,000, or by imprisonment of up to a year or both. We further understand that if we violate or fail to comply with the Owner-Occupant Law, we shall be subject to a civil penalty of up to \$10,000, or fifty per cent of the net proceeds received or to be received from the sale, lease, rental, assignment or other transfer of the designated residential unit, whichever is greater.

12. When required by context, each pronoun reference shall include all numbers (singular or plural) and each gender shall include all genders.

II. The Limited Warranty

A. Introduction to the Limited Warranty

1. This book provides specific details, conditions and limitations of the Limited Warranty including procedures for requesting warranty performance and for binding arbitration, in accordance with the procedures of the Federal Arbitration Act. Additional information may be received by calling RWC at (717) 561-4480. Read this document in its entirety to understand the protection it affords, the exclusions applicable to it, the Warranty Standards which determine its interpretations and operation and your responsibilities.
2. This is NOT an insurance policy, a maintenance agreement or a service contract. It is an explanation of what you, the Purchaser, can expect from this Limited Warranty.
3. Appliances and Equipment included in the Home are not warranted under this Limited Warranty, but may be covered by separate warranties provided by the manufacturer or supplier. These warranties are passed on to you by your Builder at closing and are separate from this Limited Warranty.
4. You are responsible for maintenance of your new Home. General and preventative maintenance are required to prolong the life of your new Home.
5. This Limited Warranty is **automatically transferred** to subsequent Owners during the ten-year term of this Limited Warranty, except in the case of a foreclosure that voids the warranty as provided in Section II.A.6.*
6. This Limited Warranty becomes void and all obligations on the part of Warrantor cease as of the date an Owner vacates the Home due to foreclosure proceedings.*
7. This Limited Warranty is subject to changes required by various regulating bodies. FHA and VA, as well as some local agencies have mandated the additions noted in the Addenda Section of this Limited Warranty book. Notations throughout indicate where the Addenda apply.

B. The Limited Warranty

1. **Actions taken to cure Defects will NOT extend the periods of specified coverages in this Limited Warranty.**
2. Only warranted elements which are specifically designated in the Warranty Standards are covered by this Limited Warranty.
3. The Warrantor has the choice to repair, replace or pay the reasonable cost to repair or replace warranted items which do not meet Warranty Standards and are not excluded in the Limited Warranty.
4. If a warranted MSD occurs during the appropriate coverage period, and is reported as required in **Section IV.**, the Warrantor will repair, replace or pay you the reasonable cost to repair or replace the warranted MSD, limited to actions necessary to restore the MSD to its load-bearing capacity.

C. Warranty Coverage*

1. **ONE YEAR COVERAGE:** Your Builder warrants that for a period of one (1) year after the Effective Date Of Warranty, warranted items will function and operate as presented in the Warranty Standards of Year 1, **Section III.A.** Coverage is **ONLY** available where specific Standards and Actions are represented in this Limited Warranty.*
2. **TWO YEAR COVERAGE:** Your Builder warrants that for a period of two (2) years from the Effective Date Of Warranty, specified portions of the Heating, Cooling, Ventilating, Electrical and Plumbing Systems, as defined in this Limited Warranty, will function and operate as presented in the Warranty Standards of Years 1 and 2 only, **Section III.B.**†
3. **TEN YEAR COVERAGE:** Major Structural Defects (MSD) are warranted for ten (10) years from the Effective Date Of Warranty.

Your Builder is the Warrantor during Years 1 and 2 of this Limited Warranty and the Insurer is the Warrantor in Years 3 through 10.

4. **CONDOMINIUM COVERAGE:** This Limited Warranty shall only apply to warranted common elements. Warranted common elements are those portions of the defined Electrical, Heating, Ventilating, Cooling, Plumbing and structural Systems which serve two (2) or more residential units, and are contained wholly within a residential structure. Warranty coverage for common elements shall be for the same periods and to the same extent as similar or comparable items in individual residential units. Examples of common elements which are covered by this Limited Warranty are hallways, meeting rooms and other spaces wholly within the residential structure designated for the use of two (2) or more units. 1. If a Defect occurs in Years 1 and 2, you must notify your Builder in writing. Your request for warranty performance should clearly describe the Defect(s) in reasonable detail.
2. Request for warranty performance to your Builder does not constitute notice to the Administrator, and it will not extend applicable coverage periods.
3. If a request for warranty performance to your Builder does not result in satisfactory action within a reasonable time, written notice must be given to RWC, Administrator, 5300 Derry Street, Harrisburg, Pennsylvania 17111, Attn: Warranty Resolution Department. This notice should describe each item in reasonable detail and should be forwarded by certified mail, return receipt requested.
4. *Please note that a written request for warranty performance must be mailed to RWC and postmarked no later than thirty (30) days after the expiration of the applicable warranty period. For example, if the item is one which is warranted by your Builder during your second year of coverage, a request for warranty performance must be mailed to RWC and postmarked no later than thirty (30) days after the end of the second year to be valid.*
5. You must provide the Warrantor with reasonable weekday access during normal business hours in order to perform its obligations. Failure by your to provide such access to the Warrantor may relieve the Warrantor of its obligations under this Limited Warranty.
6. If your Builder does not fulfill its obligations under this Limited Warranty, the Administrator will process the request for warranty performance as described in the Limited Warranty and subject to the provisions of IV.F.

B. Notice to Warrantor in Years 3-10

If a Defect related to a warranted MSD occurs in Years 3 through 10 of this Limited Warranty, you must notify the Administrator to review the item. All such notices must be presented in writing to RWC, Administrator, 5300 Derry Street, Harrisburg, Pennsylvania 17111, Attn: Warranty Resolution Department, by certified mail, return receipt requested, within a reasonable time after the situation arises. Any such notice should describe the condition of the MSD in reasonable detail. Requests for warranty performance postmarked more than thirty (30) days after the expiration of the term of this Limited Warranty will not be honored.

C. Purchaser's Obligations

1. **Your notice to the Administrator must contain the following information:**
 - a. Validation # and Effective Date Of Warranty;
 - b. Your Builder's name and address;
 - c. Your name, address and phone number (including home and work numbers);

 - g. A copy of each and every report you have ob-

2. You have an obligation to cooperate with the Administrator's mediation, inspection and investigation of your warranty request. From time to time, the Administrator may request information from you regarding an alleged Defect. Failure by you or your appointed representative to respond with the requested information within thirty (30) days of the date of the Administrator's request can result in the closing of your warranty file.

D. Mediation and Inspection

Within thirty (30) days following the Administrator's receipt of proper notice of request for warranty performance, the Administrator may review and mediate your request by communicating with you, your Builder and any other individuals or entities who the Administrator believes possess relevant information. If, after thirty (30) days, the Administrator has not been able to successfully mediate your request, or at any earlier time when the Administrator believes that your Builder and you are at an impasse, then the Administrator will notify you that your request has become an Unresolved Warranty Issue. At any time following the receipt of proper notice of your request for warranty performance, the Administrator may schedule an inspection of the item. You must provide the Administrator reasonable access for any such inspection as discussed in Section IV.A.5. The Administrator, at its discretion, may schedule a subsequent inspection to determine Builder compliance.

When a request for warranty performance is filed and the deficiency cannot be observed under normal conditions, it is your responsibility to substantiate that the need for warranty performance exists including any cost involved. If properly substantiated, you will be reimbursed by the Warrantor.

E. Arbitration*

You begin the arbitration process by giving the Administrator written notice of your request for arbitration of an Unresolved Warranty Issue. The written notice of your request for arbitration must be received by the Administrator no later than thirty (30) days following the expiration of the ten year warranty period. However, if you receive notification of an Unresolved Warranty Issue from the Administrator following the expiration of the ten year warranty period, then this period is extended and written notice of your request for arbitration must be received by the Administrator no later than thirty (30) days from the date of your receipt of notification of the Unresolved Warranty Issue. Within twenty (20) days after the Administrator's receipt of your notice of request for arbitration, any Unresolved Warranty Issue that you have with the Warrantor shall be submitted to an independent arbitration service experienced in arbitrating residential construction matters upon which you and the Administrator agree. This binding arbitration is governed by the procedures of the Federal Arbitration Act, 9 U.S.C. §§ 1 *et. seq.* If you submit a request for arbitration, you must pay the arbitration fees before the matter is submitted to the arbitration service. After arbitration, the Arbitrator shall have the power to award the cost of this fee to any party or to split it among the parties to the arbitration. The arbitration shall be conducted in accordance with this Limited Warranty and the arbitration rules and regulations to the extent that they are not in conflict with the Federal Arbitration Act.

*FHA/VA Homeowners, refer to HUD Addendum, Section V.D.

Section IV. Requesting Warranty Performance (continued)

Within one (1) year after an arbitration award, either party may apply to the U.S. District Court where the Home is situated to confirm the award. The Administrator's receipt of a written request for arbitration in appropriate form shall stop the running of any statute of limitations applicable to the matter to be arbitrated until the Arbitrator renders a decision. The decision of the Arbitrator shall be final and binding upon all parties.[†]

Since this Limited Warranty provides for mandatory binding arbitration of Unresolved Warranty Issues, if any party commences litigation in violation of this Limited Warranty, such party shall reimburse the other parties to the litigation for their costs and expenses, including attorney fees, incurred in seeking dismissal of such litigation.*

In Years 1 & 2, the Builder shall have sixty (60) days from the date the Administrator sends the Arbitrator's award to the Builder to comply with the Arbitrator's decision. In Years 3-10, the Warrantor shall have sixty (60) days from the date the Administrator receives the Arbitrator's award to comply with the Arbitrator's decision. The Warrantor will complete such repair or replacement as soon as possible without incurring overtime or weekend expenses.

You may request a compliance arbitration within twenty (20) days after the sixty-day compliance period has expired by giving the Administrator written notice of your request. You must pay the fees for the compliance arbitration prior to the matter being submitted to the arbitration service.

F. Conditions of Warranty Performance

1. When your request for warranty performance is determined to be a warranted issue, the Warrantor reserves the right to repair or replace the warranted item, or to pay you the reasonable cost of repair or replacement.
2. In Years 1 and 2, if your Builder defaults in its warranty obligations, the Administrator will process the request for warranty performance provided you pay a warranty service fee of \$250 for each request prior to repair or replacement.**◆
3. In Years 3 through 10 you must pay the Administrator a warranty service fee of \$500 for each request.**◆
4. If the Administrator elects to award you cash rather than repair or replace a warranted item, the warranty service fee will be subtracted from the cash payment.
5. If the Warrantor pays the reasonable cost of repairing a warranted item, the payment shall be made to you and to any mortgagee or mortgagee's successor as each of your interests may appear; provided that the mortgagee has notified the Administrator in writing of its security interest in the Home prior to such payment. Warrantor shall not have any obligation to make payment jointly to the Purchaser and mortgagee where the mortgagee has not notified your Builder or the Administrator in writing of

its security interest in the Home prior to such payment. Any mortgagee shall be completely bound by any mediation or arbitration relating to a request for warranty performance between you and the Warrantor.*

6. Prior to payment for the reasonable cost of repair or replacement of warranted items, you must sign and deliver to the Builder or the Administrator, as applicable, a full and unconditional release, in recordable form, of all legal obligations with respect to the warranted Defects and any conditions arising from the warranted items.
7. Upon completion of repair or replacement of a warranted Defect, you must sign and deliver to the Builder or the Administrator, as applicable, a full and unconditional release, in recordable form, of all legal obligations with respect to the Defect and any conditions arising from the situation. The repaired or replaced warranted item will continue to be warranted by this Limited Warranty for the remainder of the applicable period of coverage.
8. If the Warrantor repairs, replaces or pays you the reasonable cost to repair or replace a warranted item, the Warrantor shall be subrogated to all your rights of recovery against any person or entity. You must execute and deliver any and all instruments and papers and take any and all other actions necessary to secure such rights, including, but not limited to, assignment of proceeds of any insurance or other warranties to the Warrantor. You shall do nothing to prejudice these rights of subrogation.
9. Any Warrantor obligation is conditioned upon your proper maintenance of the Home, common elements and grounds to prevent damage due to neglect, abnormal use or improper maintenance.
10. **Condominium Procedures:**
 - a. In the case of common elements of a condominium, at all times, owner(s) of each unit affected by the common elements in need of warranty performance shall each be responsible to pay the warranty service fee (\$250 in Years 1 and 2, \$500 in Years 3 through 10) for each request for warranty performance.**
 - b. If the Builder retains a voting interest in the association of more than 50%, the request may be made by unit owners representing 10% of the voting interests in the association.
 - c. If a request for warranty performance under this Limited Warranty involves a common element affecting multiple units, and all affected units are not warranted by the RWC Warranty Program, the Insurer's liability shall be limited to only those units warranted by the RWC Warranty. The limit of liability shall be prorated based upon the number of units warranted by this Limited Warranty.

Section 6 -- Miscellaneous Information Not Covered Elsewhere in this Report

1. All prospective purchasers should also be aware that the Private Yard Areas, if any are available to Units in the Community, are not subdivided lots, but are exclusive use areas appurtenant to the Unit(s).
2. Developer may revise the specimen deed and sales contract for the Community to conform with any future amendments that may be made to the Declaration and the Community.
3. Each prospective purchaser should review the Condominium Map Site Plan so that they may identify easement areas benefiting the Community.
4. Exterior elevations, door and window locations and types may be modified from that reflected on the Condominium Map.
5. HRS 672E contains important requirements you must follow before you file a lawsuit or other action for defective construction against the contractor who designed, repaired, or constructed your unit or facility. Ninety days before you file your lawsuit or other action, you must serve on the contractor a written notice of any construction conditions you allege are defective. Under the law, a contractor has the opportunity to make an offer to repair and/or pay for the defects. You are not obligated to accept any offer made by a contractor. There are strict deadlines and procedures under the law and failure to follow them may negatively affect your ability to file a lawsuit or other action.
6. Certain portions of the Community may be used as a sales office. The buyer is aware that noise and traffic from these areas may cause a disturbance. The buyer is responsible for investigating noise levels in and around the Community to determine if the buyer is satisfied with the acoustics and noise levels within the unit and within the Community as a whole. Developer makes no guaranty as to these matters now or in the future.
7. The buyer should be aware that the Community may be periodically affected by certain environmental conditions due to historical, existing and prospective surrounding conditions and uses. Those uses include, without limitation, industrial, commercial, recreational, and other non-residential uses, animal husbandry and pasture uses, and a railroad easement. Overhead and underground radio transmission wires and high voltage electric lines and facilities may be located within and around the Community. Such facilities purportedly may emit electric and magnetic emissions. Aircraft may fly in the proximity of or over or close to the Community. Buyers should also be aware that ongoing construction, commercial and industrial uses, plantation harvesting and farming may temporarily generate heavy dust and/or other nuisances. Pesticides and fertilizers were or may be used in the plantation harvesting and farming and may have long term effects on the land, water and environment.
8. Buyers are encouraged to find out which parking stalls are available for their use and the location of the parking stalls.
9. The buyer should be aware that the Community and/or the Unit may be affected by traffic, aircraft noise, and other adverse effects.
10. Developer has the reserved right to control the Association in accordance with Section 514B-106(d) of the Act, during which time Developer, or persons designated by Developer, may

appoint and remove the officers and members of the Board of Directors. Such period of control of the Association by Developer (the "**Control Period**") shall terminate no later than the earlier of:

- (a) Sixty (60) days after conveyance of seventy-five percent (75%) of the common interest appurtenant to Units to Owners other than Developer or an affiliate of Developer;
- (b) Two (2) years after Developer has ceased to offer Units for sale in the ordinary course of business;
- (c) Two (2) years after any right to add new Units was last exercised; or
- (d) The day Developer, after giving written notice to Unit Owners, Records an instrument voluntarily surrendering all rights to control activities of the Association.

Developer may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before termination of the Control Period, but in such event Developer may require, for the duration of the period of Developer control, that specified actions of the Association or Board, as described in a Recorded instrument executed by Developer, be approved by Developer before they become effective, provided, however, that during the Control Period (i) Developer must provide a copy of all amendments to the Department of Veterans Administration (the "**VA**"), and (ii) the Association may not make any material amendments or take any extraordinary actions as described in VA Pamphlet 26-7 revised, as may be applicable, without the approval of VA.

Until such time as the Declarant has turned over administration of the Community to the Association, Declarant shall have the right to amend the Bylaws without the approval, consent or joinder of, or notice to, any person or group of persons, including the Association, any Unit Owner or any mortgagee, lienholder, Unit purchaser or any other person who may have an interest in the Community.

11. Developer, D.R. Horton-Schuler Homes, LLC, is the Community real estate broker. The developer's manager, Vertical Construction Corporation, is the general contractor for the Community.

12. Palilalai Mall, a pedestrian pathway mall, connecting portions of the Mehana and Kapolei areas with the adjacent Regional Drainage Channel, described in the Mehana Master Declaration, which bisects the Kukuna Community, is available for use by the public and an easement thereover may be granted to the Master Association. Passage over the Mall may not be impeded and use of the Mall area and various pedestrian pathways within the Community, in locations reflected on the Condominium Map, may impair an Owner's use and enjoyment of the Owner's unit.

13. The Road Reserve Easement area reflected on the Condominium Map shall be available as a greenscape area on only a temporary basis and shall in the future be improved as a roadway extension or component of Wakea Road (shown as Road W on the Condominium Map). It may be withdrawn from the Community at any time, in the sole and absolute discretion of the Declarant. Without limitation of the foregoing, Owners understand and acknowledge that in addition to and without limitation of surrounding described in Article 19 of the Master Declaration and this Section S, the "Road Reserve" Easement area and the lands designated as Wakea Street adjacent to the Community (Lots 3 and 5 as shown on the County subdivision

map (2010/SUB-235)) may be improved by the County to extend Wakea Street to Kalaeloa. The HHCTCP plans contemplate the extension of Wakea Street, among other highway improvements. As a result, the Community may be affected by noise from future construction, operation, traffic, maintenance, dust, noxious odors and other adverse impacts of the Wakea Street extension and the HHCTCP.

14. The roadway "hammerhead" area adjacent to Units 13, 14, and 15 shown on the Condominium Map (the "**Hammerhead**") may be abandoned, upon which event, the area may be included in the Community as a portion of its common element or a portion of the limited common element appurtenant to one or more of Units 13, 14 and /or 15.

15. All fences installed within the Community shall comply with the Fence Master Plan approved by DPP in connection with the Cluster Housing Permit. Owner installed fencing must be approved in advance by the Board or the DRC. Only one fence is permitted to be constructed on the common boundary line between the Private Yard Areas for adjacent Units, and any fence so installed shall be deemed a party wall. Party walls may not be demolished or relocated by an Owner except (1) in accordance with the terms of the Declaration and (2) with the written consent of the Owner of the adjacent Unit. Owners of Units that share a party wall on the common boundary have a mutual fence maintenance obligation to maintain and repair the common party wall, and the cost of such maintenance and repair, and reconstruction, as required, shall be shared equally by such Unit Owners. If a party wall or fence is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the party wall or fence may restore it. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title. In the event of any dispute arising concerning a party wall or fence, or under the provisions of this Section and its subparts, such dispute shall be submitted for arbitration as provided in the Declaration.

NOW, THEREFORE, Declarant, for itself and its successors and assigns, hereby covenants and declares as follows:

1. Declarant shall develop the Land in substantial compliance with the City of Kapolei Urban Design Plan, except where modified below, and plans shown in Exhibits B-1, B-2, B-3, and B-4 attached hereto and made a part hereof:
 - a. Residential
 - i. The building heights within the AMX-2 District will vary and building massing will be "tiered" up to the maximum heights indicated on the zoning map, incorporating sloped roofs and covered lanais.
 - ii. Single-family dwellings are permitted provided multi-family dwellings, defined as those with 3 or more dwellings within a single structure, shall be no less than 51 percent of the total number of dwellings in the Project.

Single-family and two-family dwelling units shall not be permitted within the AMX-2 and BMX-3 Districts.

- iii. Minimum setback requirements shall be in accordance with the Land Use Ordinance. The required front yard will vary according to a "front yard averaging", thereby creating an articulated building front.
- iv. An approximate two-acre site for BMX-3 zoning is permitted on the Land.
- v. Front-loaded single-family housing products are permitted. Rear-loaded homes will be the predominate single-family home featured along the two main collector roads as shown on Exhibit B-1, the Updated Preliminary Land Use Plan dated August 19, 2004.
- vi. With regards to block sizing, the Declarant is required to substantially conform to the roadway grid as reflected in the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1).

b. Parks and Open Space

- i. Kapolei Green shall be dedicated to the City and shall include the amenities and features as contemplated pursuant to D.R. Horton's letter dated August 26, 2004, attached hereto (Exhibit C-1) and made a part hereof, to the Department of Parks and Recreation (DPR) and DPR's written reply to D.R. Horton dated September 13, 2004, attached hereto (Exhibit C-2) and made a part hereof, in which D.R. Horton agreed to provide a clean, graded, grassed and irrigated central park with a total area of approximately 4.5 acres. DPR agreed to recommend the proposed park as planned for dedication to the City once constructed. Additional improvements, if provided by the Declarant at the request and/or agreement of the City, would qualify as excess Park Dedication Credits for the Declarant. Final

terms of such an arrangement shall be subject to a formal agreement, between the Declarant and the City when such improvements are sought.

- ii. The Declarant shall establish parks and pedestrian and bike paths as shown on the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1), including the connection of the parks and the elementary school fields and playground (which also could serve as an active open space) by a landscaped linear path.
- iii. The "Village Walk", as originally planned to be within the approximate center of the Mehana at Kapolei site, is now being relocated along the Project's mauka boundary. The Declarant shall construct Village Walk improvements such as an 8-foot walkway, landscaping and street furniture, up to their property line, as shown in Exhibit B-2, Village Walk Concept Plan A dated August 19, 2004, attached hereto and made a part hereof. These improvements shall supplement the adjoining improvements to be provided by The Estate of James Campbell or its successor entities, as shown on the Village Walk Concept Plan A dated August 19, 2004 (Exhibit B-2).
- iv. A reserve area for a possible roadway in proximity to the makai edge of the school site shall be provided by the Declarant for connection within the area to Ft. Barrette Road. This future connection point and eventual road alignment could be different from that represented on the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1), as negotiations between Declarant and various governmental agencies are finalized. The reserve area shall remain in effect unless the State Department of Transportation or other governmental agencies, as appropriate, determine that a roadway connection to Ft. Barrette Road is not permitted. In that event, the reserve shall terminate and the area shall be available for residential development.

c. Roadways

- i. Employing Subdivision Street Standards as adopted by the Department of Planning and Permitting of the City and County of Honolulu (DPP) is permitted.
- ii. Eliminate from the Kapolei Urban Design Plan any references to the collector road that borders the mauka edge of the property, subject to the relocation of the Village Walk as discussed above, and Renton Road Extension, which is an unconnected remnant along the makai boundary of Mehana.

d. Regional Drainage

- i. The regional drainage corridor abutting the mauka side of the OR&L right-of-way, shall be developed as a grass-lined drainage system with trees along a bicycle path, open for public use, within or abutting the drainage system, as shown in concept in the Drainage Corridor Concept Plan dated August 27, 2004, attached hereto as Exhibit "B-3" and made a part hereof. The final plans for the drainage system shall be subject to the approval of the Director of DPP. The Declarant shall improve the drainage system as described and dedicate the drainage system subject to a schedule approved by the Director of DPP. Hardscaping within the drainage facility will be permitted for easements for electrical transmission, fuel and sewerage, bike and pedestrian paths and vehicular crossings.
- ii. The Declarant shall provide public pedestrian and vehicular connections to the regional drainage corridor as shown in the Updated Preliminary Land Use Plan dated August 19, 2004 (Exhibit B-1).

2. Prior to the approval of the first building permit by DPP, the Declarant shall submit "Mehana Design Guidelines" for the Project (except for the school site) illustrating site planning guidelines and

building design features, including a variety of elevations, fencing, roofing elements, landscaping, lanais, etc. for approval by the City of Kapolei Design Advisory Board ("DAB") and DPP. The Mehana Design Guidelines shall be consistent with the City of Kapolei Urban Design Plan ("Kapolei UDP") in effect. Thereafter, individual site plans and front elevations for all project phases shall be submitted to DPP for approval and shall evidence general conformance with the design concepts of the Mehana Design Guidelines. Modifications to the Mehana Design Guidelines shall be subject to approval by the Director of DPP. Said site plans for all project phases shall be deemed approved by the Director of DPP if no comments are received by Declarant within 45 days of submittal to DPP.

The Mehana Design Guidelines are intended to serve as interim guidelines until amendments to the Kapolei UDP are approved by the Council. As such, conformance with the Mehana Design Guidelines shall no longer be required upon approval by the Council of appropriate amendments to the Kapolei UDP incorporating these or other design guidelines that the Council deems appropriate.

Any development that is inconsistent with the Mehana Design Guidelines and the then-effective Kapolei UDP shall not be permitted until appropriate amendments to the Kapolei UDP are approved by the Council.

3. Prior to approval of subdivision applications (except those for bulk lot purposes), the Declarant shall submit, in coordination with the State Department of Transportation (DOT) and the City Department of Transportation Services (DTS), a roadway master plan for roadways within and adjacent to the Project consistent with the roadway layout provided in the Updated Preliminary Land Use Plan, dated August 19, 2004 (Exhibit B-1), to DPP for review and approval. The roadway master plan shall include road cross-sections and associated land uses. An analysis of auxiliary left and right turn lane lengths shall also be provided as may be required by DPP. The plan shall also take into account the need to provide enhanced pedestrian and bicycle facilities, as presented in the Declarant's zone change application, as well as future transit stop locations. An identification of which intersections may warrant future traffic signal

installation shall also be included. The development of the Land shall conform to the approved roadway master plan, provided that the plan may be amended from time to time with the prior written approval of the Director of DPP.

4. Transportation. The Declarant shall carry out the following requirements related to traffic and transportation improvements:
 - a. Prior to applying for building permits for any additional dwelling unit beyond 400 dwelling units, the Declarant shall consult with the State DOT, DTS and DPP, and submit for approval to the Director of DPP a supplemental update to the Traffic Impact Assessment Report (Declarant's Traffic Impact Study dated May 5, 2004, hereinafter called the "TIAR"), or provide supplemental information to the Traffic Impact Assessment Report updates required by the conditions relating to traffic and transportation improvements attached to the enactment of Bill 72 (2004), as amended. The Declarant's submittal, hereinafter called the "Supplemental Traffic Impact Assessment Report (TIAR)", shall include a Traffic Management Plan (TMP) identifying Traffic Demand Management (TDM) strategies to reduce area wide traffic congestion. The Supplemental TIAR area shall generally be that area described in Exhibit D, attached hereto and made a part hereof. Prior to applying for building permits for any additional dwelling unit beyond 800 dwelling units, the Declarant shall submit an update to the Supplemental TIAR, identifying roadway infrastructure improvements that are or will be needed to support the Project during its various stages including an analysis of traffic signal warrants.
 - b. Fund and/or construct its share of roadway improvements, described in the TIAR and supplemental updates, as may be required by State and City transportation agencies, within the Project area or directly attributable to the Project.
 - c. On an annual basis, Declarant shall participate in a meeting to be organized by DPP and to include State DOT and DTS to discuss the coordination and implementation of traffic improvements in and around the City of Kapolei and the need

for additional studies. This condition for participation in an annual meeting shall be deemed satisfied and shall be fully released upon the approval of the last building permit of the last phase of the Project. In its annual report to the City required by Condition 14, the Declarant shall report on the status and scheduling of its implementation of traffic improvements related to the Project.

5. The Declarant shall develop the necessary potable and non-potable water system improvements to serve the Project, including the school site and the drainage corridor discussed in Condition 1.d. herein, as may be required by the Board of Water Supply, prior to any subdivision or building permit approval, whichever comes first.
6. Prior to subdivision, residential cluster or residential building permit approval, the Declarant shall execute an agreement to participate in an affordable housing plan acceptable to DPP in accordance with adopted rules. The agreement shall provide for no less than 30% of the total residential units of the Project to be delivered to households with incomes up to and including 120 percent of median income or less, including no less than 10 percent of the total units to be delivered to households with incomes up to and including 80 percent of median income or less. "Median income" means the median income for Honolulu, adjusted for family size, as determined by the United States Secretary of Housing and Urban Development.
7. The Declarant shall contribute to the development, funding, and/or construction of school facilities, on a fair-share basis, as determined by and to the satisfaction of the State Department of Education (also referred to as "DOE"). Terms of the contribution agreement shall be agreed upon in writing by the Declarant and the DOE, prior to obtaining building permits.
8. Prior to building permit approval, the Declarant shall submit to the Department of Health (DOH) and DPP, a solid waste management plan as may be required by the DOH. The Declarant shall comply with the approved solid waste management plan.

9. Prior to grading permit approval, the Declarant shall prepare and submit a dust control plan to DPP and DOH, as may be required by DOH. The Declarant shall comply with the approved dust control plan.
10. The Declarant shall inform all prospective purchasers or lessees of single- and multi-family dwellings in the Project of all of the following:
 - a. The potential impacts, including but not limited to traffic, aircraft noise, and adverse effects from the Kalaeloa Community Development District and that an expansion of military uses and associated adverse impacts may occur within Kalaeloa;
 - b. The development is located within the contours of the Honolulu International Airport 1987 Noise Contour Map; and
 - c. The development is located near the OR&L Historic Railway and the operation of trains on the railway may result in noise and other impacts associated with the operation of the trains.

The disclosure shall be made through a Disclosure Document acceptable in form and content to the DPP and the Corporation Counsel. The Disclosure Document shall be signed by the purchaser or lessee as an affirmative acknowledgment of the potential impacts. All disclosures shall be included in any deed or lease of residential property and any applicable Declaration of Covenants, Conditions and Restrictions, and shall be recorded so as to run with the land of the affected property. The form, content, and manner of recordation of the disclosures shall be approved by the DPP and the Corporation Counsel prior to any subdivision approval (except those for bulk lot purposes) or building permit approval, whichever occurs first.

11. The Declarant shall submit a revised drainage master plan and implementing schedule for the drainage improvements required for the development of the Project. The master plan shall be approved by the Director of DPP prior to any subdivision approval (except those for bulk lot purposes). The Declarant shall comply with the revised drainage master plan and implementing schedule.

12. If, during construction, any previously unidentified archaeological site or remains (such as artifacts, shell, bone, or charcoal deposits, human burials, rock or coral alignments, paving, or walls) are encountered, the Declarant shall stop work and contact the State Historic Preservation Division (SHPD) immediately. Work in the immediate area shall be stopped until the SHPD is able to assess the impact and make further recommendations for mitigative activity.
13. The Declarant acknowledges that approval of this zone change does not constitute compliance with other Land Use Ordinance or governmental agencies' requirements. They are subject to separate review and approval. The Declarant shall be responsible for ensuring that the final plans for the Project comply with all applicable Land Use Ordinance and other governmental agencies' provisions and requirements.
14. On an annual basis, the Declarant shall submit a written status report to DPP documenting its satisfaction of and/or describing its progress toward complying with each condition of approval for this zone change. The status report shall be submitted to DPP by December 31 of each year until such time as DPP has determined that all conditions of approval have been satisfied. If a status report is not submitted within the time specified, the DPP may defer the processing of permits until a status report is submitted.
15. In the event of noncompliance with any of the conditions set forth herein, the Director of Planning and Permitting shall inform the Council and may initiate action to rezone the Land, seek civil enforcement, or take appropriate action to terminate or stop the Project until applicable conditions are met.
16. Failure to fulfill any conditions to the zone change may be grounds for revocation of the permits issued under this zoning and grounds for the enactment of ordinances making further zone changes, including revocation of the underlying zoning, upon initiation by the proper parties in accordance with the Revised City Charter.

17. Declarant expressly acknowledges and agrees that its obligations hereunder shall survive the termination of the Estate of James Campbell and shall be binding upon its successors and assigns.

NOW, THEREFORE, Declarant hereby makes the following additional Declarations:

For purposes of this document, any references to a specific City department or agency shall be deemed to include a reference to any successor department or agency.

That the conditions imposed herein are reasonably conceived to fulfill public service demands created by the requested change in zoning and are rationally related to the objective of preserving the public health, safety and general welfare and the further implementation of the General Plan of the City and County of Honolulu.

The development of the Land shall conform to the aforesaid conditions with the understanding that, at the request of the Declarant and upon the satisfaction of the conditions set forth in this Unilateral Agreement, the Department of Planning and Permitting may fully or partially release, as applicable, any of the foregoing conditions that have been fulfilled.

That if there are any conflicts between this Unilateral Agreement and any previous unilateral agreement(s) applicable to the Land, the terms and conditions of this Unilateral Agreement shall apply.

AND IT IS EXPRESSLY UNDERSTOOD AND AGREED that the conditions imposed in this Declaration shall run with the Land and shall bind and constitute notice to all the parties hereto and subsequent lessees, grantees, assignees, mortgagees, lienors, successors, and any other persons who have or claim to have an interest in the Land, and the City and County of Honolulu shall have the right to enforce this Declaration by rezoning, appropriate action at law or suit in equity against all such persons, provided that the Declarant or its successors and assigns may file a petition with the Department of Planning and Permitting for amendment or removal of any conditions or termination of this Declaration, such petition to be processed in the same manner as petitions for zone changes.

Mehana at Kapolei
Neighborhood Park Dedication Recommendation

Dear Mr. Balfour,

Thank you very much for your time and advice at our August 12, 2004 meeting, to discuss Mehana's proposed neighborhood park. It will play a vital role in establishing Mehana as a desirable place to live and we look forward to working with the City and County to create a first class park for the community.

I have enclosed a copy of the conceptual park plan we reviewed with you and your staff, for your records. Based on our representations at the meeting, you indicated that your department would recommend that the approximately 4.5-acre park area be accepted by the City and County for park dedication purposes. We request your acknowledgment of this recommendation be forwarded to the Department of Planning and Permitting relative to the pending Mehana Zone Change application (DPP File No. 2004/Z-5).

It is our intention to grade, grass and irrigate the 4.5 acre park site and dedicate the park to the City. The other improvements, such as the parking lot, restrooms, children's play structure and basketball/volleyball courts will be constructed by the City & County.

As discussed at the meeting, we are considering the possibility of constructing some or all of the park improvements—according to a mutually acceptable plan. It is our understanding that these improvements could be credited towards any outstanding or future on- or off-site park dedication requirements.

(Solid Waste Management Plan)

SOLID WASTE MANAGEMENT PLAN
MEHANA AT KAPOLEI

(As developed in consultation with the State of Hawaii, Department of Health,
Solid Waste Management Branch, December 2006)

Recycling of materials (construction and established development on going use) is the primary goal of the Mehana at Kapolei Solid Waste Management Plan. To that end the following recommendations are being provided to contractors, homeowners and AOAO's for the project:

1. Gypsum and plaster are not subject to recycling since there are no current facilities to permitted to accept gypsum board. Should recycling facilities be available in the future, recycling is encouraged.
2. Treated wood wastes are not subject to recycling and should be disposed of at an approved Landfill. PVT is a currently approved landfill. Should recycling facilities be available in the future, recycling is encouraged.
3. Non-reusable glass shall be properly disposed. PVT is a currently approved disposable location.
4. Reuse of glass in a reusable form is encouraged. Currently (on Oahu) glass bottles are only accepted for recycling.
5. Non-ferrous metals including uncontaminated brass, copper or aluminum should be recycled. Current facilities recovering non-ferrous metals are: C. M. Recycling, LLC; Hans Metals; Okuda Metals; Reynolds Recycling and Island Recycling.
6. Paper products including white or colored paper, newsprint and cardboard should be recycled. Current facilities recycling paper products are Honolulu Recovery and Island Recycling.
7. Green waste products generated during construction and ongoing maintenance should be delivered to composting materials when feasible. Current facilities accommodating composting include Hawaiian Earth Products.
8. Provide opportunities for residents to recycle. This will be primarily accommodated by encouraging/endorsing property owners to participate with City and County recycling programs that become available. Association newsletters can be used to inform residents.

(Note: This Solid Waste Management Policy has been developed in consultation with the State of Hawaii Department of Health Solid Waste Management Branch based on December 27, 2006 correspondence. Materials subject to recycling and approved recyclers identified above are subject to change. This plan is not intended to be in conflict with any other solid waste management policies including those of the City and County of Honolulu with respect to construction and or City and County of Honolulu existing or future residential or commercial recycling plans)
